**ADMINISTRATIVE ORDER ON CONSENT FOR REMOVAL ACTION**

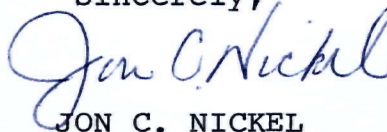

Dear Scott:

In response to Mr. Duprey's letter dated May 9, 1991, regarding the Administrative Order on Consent for the excavation and removal of residential soils, this letter serves to notify EPA that ASARCO Incorporated ("Asarco") intends to participate and offers to conduct the removal actions at the East Helena Superfund site. This is not, however, an admission of liability.

I have received the proposed Administrative Order on Consent (the "Order") and the Statement of Work. Asarco is willing to negotiate the terms of the Order with EPA and develop a Work Plan regarding the remediation of residential soils, and reimbursement of response costs incurred by EPA.

Please call me at your earliest convenience so that we can make arrangements to discuss the Work Plan and Order.

Sincerely,

JON C. NICKEL  
Industrial Quality Manager
